FIG. 2A

FIG. 2B is a detailed schematic of a scratch-off lottery ticket layout. The ticket is divided into three main sections: "DREAM 5", "LOTTOEAST", and "QUICK SLIP". Each section contains a 5x5 grid of numbers (1-50) and a "VOID" area. The "QUICK SLIP" section also includes a "MULTI DRAW" area. The ticket is marked with various numbers (14', 16', 18', 20', 22', 24', 26') and arrows indicating the scratch-off process. A large arrow at the bottom points to the reverse side, labeled "SEE INSTRUCTIONS ON REVERSE SIDE".
